NOTICE OF NON-DISCRIMINATION	14

In the Classroom

Attendance: Class attendance is required at Cowley College. Failure to attend class can lead to poor grades, loss of financial aid funds, and removal from class without a refund of tuition and fees. Attendance is required from the first day of class. Online courses require submission of an assignment to be counted as attended. When you miss class, you miss notes, discussions, key test points, assignments and general interaction with your classmates and instructors. Also, many instructors don't allow make-up work for classes missed so you can fall behind fast when you miss class.

Be on time: Many instructors provide vital information at the start of class and if you are late, you will miss out! Some will give quizzes and other assignments that are critical to your grade as well. Tardiness may also be viewed as a sign of disrespect to your instructor and can be distracting to your classmates. Get to class early.

Preparation: Much of college coursework takes place outside of the scheduled classroom times. It is your responsibility as a college student to prepare for readings, tests, and major assignments on your own. It isn't like high school anymore - you have to take responsibility to prepare yourself for class.

Use Services: For many students, college is the first time being away from home or having the ability to manage your own life. Sometimes there are things that happen which cause us to stumble along the way. Cowley has a lot of free services available to students to help you through these tough times, things like tutoring and counseling. There are many, many resources here to help you. Take advantage of them.

Set Goals: It is critical that you set short and long-term goals for yourself. It's a proven fact that students who have set goals have better success rates in college. Set at least two personal and two academic goals each semester for yourself and get busy achieving them.

Living the Life at Cowley

Get Involved: Being involved in extracurricular activities has a direct positive relationship to success in school. Part of the Cowley experience is to participate in the many offerings outside of the classroom. Whether it's a club, intramurals, theatre production, sports event, or another student activity, take advantage of the many offerings to students. Not only are they a lot of fun, but they also are a great way to meet new people. Enjoy the full experience that college has to offer.

Take Advantage of Our Unique Opportunities: College is as much about getting your degree as it is about preparing for your career. Take advantage of opportunities that arise during your time here to help you with your future. Whether it's volunteering or joining a club relevant to your major, or going to listen to a guest speaker, take advantage of learning opportunities that can impact your future.

Strive for Excellence: Whether it's homework projects, team practice, or even getting your minutes done in the wellness center- be an overachiever! YOGOWYPI - "You Only Get Out What You Put In" College is about taking advantage of all the opportunities presented and giving 150% to what you do.

Pace Yourself: For many of you, this will be the first time on your own. Your habits for diet, sleep, hygiene, exercise, study, etc. are up to you now. Be responsible and be sure that you are taking care of things.

Cowley College Lingo

Add/drop: You may make changes to your schedule before classes begin. You may remove a course from your official schedule once courses have started until the refund date for each course. Please contact your advisor or an Admissions Representative about making schedule changes. Courses are only added with special permission after they have begun. Tuition and general student fees for classes dropped before the refund date will be credited to a student's account however, please note that some classes have non-refundable course fees associated with them. Refer to Policy #254 or the website for the deadline dates for adding and dropping courses. **Note: Schedule changes may impact your financial aid, scholarship and/or athletic eligibility, VA benefits, or other services. Please contact your advisor or admissions for more information.**

Advisor: Your advisor takes a special interest in you and your educational goals. This person is trained to assist you in planning your program of study, enrollment, transfer information, and to help you with other questions you might have during your time at Cowley.

Blackboard: This is Cowley College's learning management system (LMS) or "online classroom". All Cowley courses have a Blackboard shell. Courses will not appear in Blackboard until the first day of class listed on your class schedule. Log in to Blackboard using the Single-Sign On Login.

Board of Trustees: This is an eight-person corporate body elected by the citizens of Cowley County who work with the President of the College in management of the institution.

Catalog: This book outlines the programs of study for all majors and provides course descriptions for all classes. The catalog also provides the current requirements for your degree as well as other detailed information regarding policy and procedure. The catalog is available online at [Cowley College - Acalog ACMST™](#)

Classification: If you have completed fewer than 31 credit hours, you are classified as a freshman. If you have completed 31 or more credit hours, you are classified as a sophomore. Most four-year schools will allow only 60-64 credits as transfer hours, so you should work carefully with your advisor when you are getting enrolled each semester.

Cowley (Student) Email: Your Student Email (or Cowley Student Email) account is used to keep you informed. Your Student Email account will provide you with notifications of college deadlines, campus events, weather closings, add/drops of classes, etc. This is one of the primary methods through which college personnel will communicate with you, so it is vital to check often. You can access Student Email from any web browser (on or off campus). To do so, go to the Cowley College home page at <http://www.cowley.edu> Use the LOGIN - Single Sign On. You can also use the CowleyGo app. If you have trouble, email tech@cowley.edu for assistance.

Cowley College Refunds: All financial aid refunds and bookstore sellback funds, are disbursed by check to the address on file. To request a refund of a paid course, complete the 'Request a Refund' form found in Tiger Connect / Student Billing tab.

Credit Hour: Each college course you take is denoted with a certain number of credit hours, usually ranging from one to six. The number of credit hours allotted to a course is determined by the number of clock hours students spend in the class each week.

Degree Check / Advising Worksheet: This program lists current and previous courses you have taken. It also shows your grades, total credits, and your cumulative GPA. It categorizes the courses you have completed as they relate to the requirements for your degree or certificate. You can obtain your Degree Check from your advisor or view your Advising Worksheet in Tiger Connect.

Degree Plan/Programs of Study: Degree options at Cowley include Associate of Applied Science (AAS), Associate of Arts (AA), Associate of Fine Arts (AFA), Associate of Science (AS), and the Associate of General Studies (AGS). Degree offerings vary depending upon student majors. You should consult your college catalog for degree offerings in your major. Most degrees require at least 62 credit hours for completion. The college also awards certificates to students who complete certain vocational/technical requirements.

Early Alerts: Early Alerts are reports; such as academic (grades/attendance) or general concerns that communicate student issues to students, advisors, and other designated college personnel.

FERPA/Buckley Amendment: The Family Educational Rights and Privacy Act of 1974 and the Buckley Amendment were established to protect the privacy of your education records. Your student records are to be kept confidential unless you give permission for their release by completing the Parent / 3rd Party FERPA Permission in Tiger Connect. Schools may disclose certain information without student consent or to approved individuals by law. For a complete copy of FERPA and the Buckley Amendment, visit www.cowley.edu/academics/registrar/access.

Final Exams: A final examination is required for each academic credit course. Final exams occur on designated days at the end of the semester. A schedule of final exams will be posted. Off campus locations may follow a different final schedule. You must take your final at the time and date scheduled. Permission to take a final at a different time may be granted to students who have compelling reasons - not merely for the convenience of the student. Permission forms for this can be obtained in the office of the Vice President of Academic Affairs and must be approved prior to the scheduled final.

Full-time Status: For registration purposes, you must be enrolled in at least twelve credit hours to be considered a full-time student. For financial aid purposes, you must be enrolled in at least twelve credit hours that are contributing to your degree to be considered a full-time student.

Grading System: Your GPA is the tangible measure of your academic progress as a student. Once a grade is on your transcript, it is on there forever. Your GPA is the measure by which honors, scholarship, probation or suspension, financial aid, and future college admissions are determined. The GPA is figured on a system where grades are given numerical value. The point values are as follows:

A = 4 points	F = 0 points	I = 0 points
B = 3 points	XF = 0 points	S = 0 points
C = 2 points	W = 0 points	U = 0 points
D = 1 point	AW = 0 points	

To calculate your GPA: multiply the credit hours of each class by the grade points you earned for that class. After adding these new numbers together, divide the sum by the total credit hours attempted.

Graduation: Degree candidates who have completed a minimum of 30 graded hours in residence are considered for graduation with scholastic honors as follows:

<u>Honor</u>	<u>GPA</u>
Summa cum laude	4.00

Magna cum laude	3.950-3.999
Cum laude	3.949-3.750

Honors are based on the student's final grade point average, including all transfer hours, and including a minimum of 30 resident Cowley hours.

HLC: Higher Learning Commission - The accrediting agency for higher education institutions which sets standards that must be adhered to in order to be an accredited college. Cowley College is part of the North Central Association of the Higher Learning Commission.

Honor Rolls: If you are enrolled in and complete at least twelve credit hours, you may qualify for one of the two honor rolls published each semester. The President's Honor Roll includes those students who complete a GPA of 4.0. The Dean's Honor Roll is for students who have a GPA of 3.5 - 3.99. A single grade lower than a "C" automatically disqualifies you from the honor rolls.

KBOR: Kansas Board of Regents - The governing body that sets policies and laws that govern the operation of community colleges, technical schools and the Regent Universities in the state of Kansas. All degrees, programs and courses offered by these institutions are approved through the KBOR.

Orientation: This is what we call New Student Orientation. It is designed to give you some basic information about going to college, and your campus, before you begin classes.

Payment plan: To help you meet your educational expenses, Cowley is pleased to offer Nelnet as a convenient budget plan. Nelnet is an e-cashier payment plan that provides you with a low-cost option for budgeting tuition, housing and other educational expenses.

Pell Grant: This federal grant, which you are not required to pay back, can award aid each year to use for college expenses. You must fill out a FAFSA form each year to apply for this aid. *If you are interested in Student Loans, you must complete the FAFSA, regardless if you qualify for Pell Grants.* For more information go to www.fafsa.ed.gov or Admissions.

Registrar: The Registrar of the college keeps records on the enrollment and academic standing of Cowley students.

Semester System: At Cowley, there are three semesters to each year: Fall, Spring and Summer. There is also a special pre-session prior to the beginning of the spring and fall semesters. Each semester you will enroll in new classes.

State Residency: To be considered for in-state tuition, you must meet certain criteria established by the state of Kansas. The list of requirements for in-state residency can be obtained from the Registrar's office or the Cowley website.

Student ID: You can obtain your student identification card in Admissions. You are required to carry your Cowley ID at all times while on campus. ID's can be used for admission to student and athletic events, as well as discounts at area businesses. If you are a dorm student, your ID is also your meal card. You must present it at every meal. Your Student ID is also required to pick up your textbooks from the Cowley Bookstore locations.

Syllabus: A document created by instructors for each course that outlines their expectations for the class and includes such things as class policies, contact information, grading and assessment standards, required texts and a schedule of assignments.

Cowley Connect: Students can use Cowley Connect to update parking pass information, check the status of their financial aid, view their bill, view grades, and view their unofficial transcript and many other items. Cowley Connect can be found by using the LOGIN - Single Sign On from the webpage at www.cowley.edu or through the CowleyGo app. If you have trouble, email tech@cowley.edu for assistance.

Transcript: This is an official form which documents the courses you have completed in college. If you plan to transfer to another institution, you must have a copy of your official transcript sent.

Withdrawal Date: The last date to withdraw from a course is listed on the instructor's syllabus for the course. A student may officially withdraw from a course before this date and have a letter grade of "W" recorded on the academic transcript. Students who are failing a class may opt to withdraw as opposed to having a failing grade on their permanent record. High school students must have approval from their high school counselor to withdraw from a course.

Policy & Procedure

The development of institutional policies and procedures is a continuous process. It is also a cooperative venture requiring the participation of Trustees, administrators, faculty, and students. Policy recommendations may be initiated by individual faculty members, administrators, operating committees, or the Cowley College Student Senate. All policies must be reviewed and recommended to the Board of Trustees for approval. A complete list of all current college policies can be accessed on the Cowley College website.

402.00 Academic Code of Conduct

Cowley College is committed to instilling in its students a high level of academic integrity. Integrity in and outside the classroom is a definite expectation. Students who compromise the integrity of the academic process are subject to disciplinary action by the college. The student so affected by an academic integrity violation and disciplinary action shall have the right of appeal through the academic affairs office. **Policy 402 will be implemented in process through Procedure ACD002.**

403.00 Student Code of Conduct

Cowley College is committed to providing an excellent safe and learning environment for all students in and outside the classrooms. We believe in fostering a campus climate that promotes physical and mental well-being as well as a safe and orderly campus environment. Students who compromise the student code of conduct are subject to disciplinary action by the college.

Cowley College students are expected to conduct themselves as responsible individuals at all times while on campus and off campus when on a college approved activity in accordance with the Standards of Student Conduct. Acts of incivility or misconduct which interferes with or detracts from the learning-centered environment are not permissible. A charge of misconduct may be made against a student for violating provisions of published College regulations and policies. In circumstances where a student is charged with misconduct, they will be processed in accordance with procedures set forth in the Standards of Student Conduct and reflected in the Student Handbook. The student so affected by a student code of conduct violation and disciplinary action shall have the right of appeal through the academic affairs office via policy 405.

The administrator responsible for ensuring student rights and freedoms is the Executive Director of Student Services. Both the Vice President of Academic Affairs and the Executive Director of Student Services are responsible for student conduct, responsibilities and due process. **Policy 403 will be implemented in process through Procedure AP403.**

U.S. Department of Education regulations require that all students and employees of Cowley College be provided with the following information annually. Please take a few minutes to review this important material.

Standards of Conduct

Cowley College supports and endorses the Federal Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act amendments of 1989. No alcoholic or cereal malt beverages and/or illegal drugs shall be allowed on the campus or at school-sponsored functions. Smoking and smokeless tobacco are not permitted in college facilities and vehicles. Students and employees are expected to abide by all applicable alcohol and drug laws, and to abstain from use of alcohol and illegal drugs while on campus and during school-sponsored activities.

Applicable Legal Sanctions

Local, state, and federal laws relate to the unlawful possession, use, or distribution of illicit drugs and alcohol. These laws govern such issues as: public drunkenness; purchase, consumption, possession or transportation of alcohol by a minor; selling or furnishing alcohol to minors; manufacturing, selling, or carrying a false ID; driving under the influence; and, illegal trafficking and possession of controlled substances. Penalties for violation of alcohol and drug laws can include fines, court costs, diversion costs, treatment costs, community service, loss of driver's license, and jail time.

Health Risks Associated with the Abuse of Alcohol or Use of Illicit Drugs

Health risks associated with chemical use include (but are not limited to): heart disease; cancer; obstructive lung diseases; spontaneous abortion, pre-term birth, low birth weight, and birth defects; impaired judgment, coordination, and memory; organ damage; insomnia; paranoia; delusions and hallucinations; seizure; elevated blood pressure; stroke; anxiety and mood disturbances; respiratory depression; brain damage; sexual side effects; physical and psychological dependence; coma; and death.

Drug and Alcohol Programs

All students are eligible for assessment, treatment, and referral by the Executive Director of Student Services, who can be contacted at 620-441-5206. Employees who choose to contact the Executive Director of Student Services regarding substance-related issues are eligible for consultation and referral. Referral to other treatment providers can be found at 800-662-HELP, or at <http://findtreatment.samhsa.gov>.

Disciplinary Sanctions

Cowley College will impose disciplinary sanctions on students and employees for violations of the standards of conduct outlined above. These sanctions may include fines, suspension, counseling, intensive supervision, and expulsion or termination of employment and referral for prosecution.

FERPA

The Family Educational Rights & Privacy Act (FERPA) of 1974, also known as the Buckley Amendment, is a federal law that protects the privacy of student education records. Schools must have written permission from the student in order to release any information from a student's record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under certain conditions. For a complete listing of those conditions and more information regarding FERPA, go to: www.cowley.edu/policy/policy252

VOTER REGISTRATION

The Kansas Secretary of State web page at www.kssos.org is the location to find a Kansas voter registration application form. The webpage has instructions about registering to vote. The deadline to vote is the fifteenth day prior to any election.
