

## ARTICULATION AGREEMENT BETWEEN

ASHFORD UNIVERSITY  
AND  
COWLEY COLLEGE

### INTRODUCTION

This ARTICULATION AGREEMENT formally recognizes that Ashford University and Cowley College are active educational collaborators, committed to providing greater educational opportunities and services for students transferring between institutions. This commitment strongly supports the concept of seamless transfer that embraces the principle that transfer students should not be required to repeat competencies already achieved.

Ashford University and Cowley College enter into this ARTICULATION AGREEMENT in the spirit of cooperation and to mutually recognize each other as quality institutions of higher learning. Each institution is dedicated to serving students from diverse populations.

### PURPOSE

The purpose of this ARTICULATION AGREEMENT is to enable Cowley College students who transfer to Ashford University to carry with them the credit they have already earned for as much relevant study as possible. This ARTICULATION AGREEMENT provides a structure through which transfer articulation on all levels can be supported. The transfer guidelines outlined in this ARTICULATION AGREEMENT are applicable to students transferring to Ashford University from Cowley College only.

### TRANSFER ELEMENTS

#### Cowley College Associate's Degrees

This ARTICULATION AGREEMENT establishes that students who transfer from Cowley College to Ashford University and have earned an associate's degree with a 2.0 cumulative GPA or higher are accepted as fulfilling all General Education and competency requirements of an Ashford University Bachelor's program when one of the two conditions below is satisfied:

- 1) The student meets the General Education requirements for Bachelor of Art degrees offered through state universities in the State of Kansas;
- OR
- 2) The transfer credits have been evaluated and deemed acceptable by Ashford University Registrar's Office.

For either condition, the associate's degree will be transferred as a block covering General Education requirements as appropriate to each degree program. This does not constitute a waiver of any course required to earn a particular major.

Completed blocks are treated as whole; the components are not examined separately to determine transferability towards General Education requirements. Cowley College students will not have to repeat General Education requirements at

Ashford University except where major coursework applies as determined by Ashford University. All other credits are accepted and applied toward the designated/appropriate Ashford University degree to satisfy elective and major requirements as appropriate and applicable and in accordance with Ashford University current transfer credit policies.

**Cowley College** students with a minimum cumulative GPA of 2.0 entering Ashford University under the terms of this ARTICULATION AGREEMENT will be admitted into Ashford University provided they meet all admissions requirements for the applicable program as determined by Ashford University.

**Cowley College** students transferring to Ashford University without an associate's degree will have all college-level/non-remedial courses completed at **Cowley College** with a grade of "C-" or better, and which do not duplicate other credits earned by student, accepted for transfer as either an elective, General Education requirement, or an exemption or replacement for a required course as deemed appropriate in accordance with Ashford University current transfer credit policies.

**Cowley College** students shall proceed through Ashford University admissions process and shall meet all requirements and deadlines applicable at the time of application. **Cowley College** students shall comply with all current policies and procedures of Ashford University.

#### **Cowley College General Education Curriculum**

Completion of the **Cowley College** state-approved General Education Curriculum will transfer as a block and will satisfy lower-division General Education requirements at Ashford University. The General Education Curriculum can be transferred and accepted as a component of an associate's degree or as a stand-alone General Education block not affiliated with an associate's degree. In the event a state-approved block of General Education Curriculum does not exist, the **Cowley College** General Education Curriculum will be evaluated and accepted by Ashford University on a course-by-course basis.

#### **Associate in Applied Science (AAS) Degree**

The Associate in Applied Science (AAS) Degree represents the attainment of in-depth technical competency within an identified occupational area. However, **Cowley College** students may need to obtain competencies in the area of General Education. Ashford University will provide AAS transfer students with a flexible degree plan that will meet Ashford University's Baccalaureate Degree requirements.

#### **Award of Upper-Division Credit**

**Cowley College** students who transfer lower-division credits beyond that required for an associate's degree, or whose lower-division credits are equivalent to designated upper-division course content, may have these courses evaluated by Ashford University and, where appropriate, they will be applied toward the course in the major. Lower-division credits transferred to satisfy upper-division courses do not constitute completion of the 30 upper-division credits required for graduation. Therefore, even if upper-division courses are awarded, **Cowley College** students will still need to obtain a minimum of 30 upper-division credits at Ashford University to meet graduation requirements.

### Maximum Number of Transferable Credits

The maximum number of transfer credits that can be accepted and applied toward degree completion is 90 credit hours.
