SUMMERTIME IS HERE!

Just like that, my first year has come to a close! Thank you all for such a warm welcome this year. I have had a wonderful time going on adventures, trying new things, and meeting new friends, and I hope you have too.

This year brought a resurgence of the Golden Tigers program, and it has been so fun to hear word about all we do spread through the community.

As word spread, we grew at a bit of an unprecedented rate. This summer, I'll be busy planning and preparing for the new year, making some behind-the-scenes updates, and brainstorming on improvements for our fall enrollment events. See you in August!

- Micah M. Fry

In lieu of programming this summer, you are invited to take part in the Golden {Tiger} Days of Summer contest. The entry form is enclosed in our May mailing, but if this newsletter found its way to you in another way, reach out to the Golden Tigers office to get an extra copy. Stick it on your fridge, complete the checklist, and turn it in by July 15th to be entered to win \$30 credit to be used towards the fun being planned for this coming fall semester.

Part of the contest is completing a Golden Tigers survey. This survey is designed to help improve some processes for next year. There are questions about communications and programming. The survey should take about two minutes.

Your completion of the survey will be much appreciated. To request a physical copy of the survey, reach out to the Golden Tigers office.
