### Auditing a class:

- Auditing a class means that a student may attend a class regularly but is not required to take exams or complete assignments. No college credit is given for the audited class.
- All course pre-requisites are met or the student has obtained the approval of the instructor. The course must be approved by each department to audit.
- The registration fee for audited classes are \$100.00. Payment is due when the student enrolls to audit a class. The registration fee may not be charged on account or refunded.
- Financial aid and scholarship monies may **not** be used to pay for audited classes.
- Registration for audit classes will be accepted one week before and through the add period of the class.
- Under no circumstances may a class audited be changed to a class taken for credit, nor will a class enrolled in for credit be changed to a class for audit. A grade of **AU** will be recorded on the student's transcript.
- A class that has been audited can not be taken at a later date for credit.
- Please have this audit enrollment request form signed by the appropriate academic administrator. Return the completed and signed form to the Registrar or Outreach center office.
