# **Cowley College Supports Kansas' Workforce**

Cowley College supports workforce needs across Kansas through Associate's degree and workforce certificate-level awards in career and technical education (CTE) programs.

971 students majored in at least one, CTE program during the 2023-2024 academic year with the most popular program choices including Medical Coding, Welding Technology, and Nondestructive Testing Technology.

The information in the graphics below reflects data reported to the Kansas Board of Regents (KBOR) and the Integrated PostSecondary Database (IPEDS) as part of an annual data collection.

#### Cowley College Supports Kansas' Workforce

Cowley College conferred 1.432 career and echnical program awards to 1,024 students between June 1, 2022 and May 31, 2024.

The ability to return for a second academic year is critical to the successful completion of an Associate's degree and/or two year certificate program award. The 2025 publication of national retention rates for the 2022 fall first time college student cohort (any degree program) includes a comparison of Cowley College's retention rates (Full time: 62%; Part time: 42%) with ten, Kansas community college peers (Full time: 61; Part time: 403%) selected for student headcount and location to town.
