Cowley College 2023-2024 Documentation of Identity and Statement of Educational Purpose

The student must **appear in person** at Cowley College, or one of the CC outreach sites, to verify his or her identity by presenting an unexpired valid government-issued photo identification (ID), such as, but not limited to, a driver's license, other state-issued ID, or passport. The institution will maintain a copy of the student's photo ID that is annotated by the institution with the date it was received and reviewed, and the name of the official at the institution authorized to receive and review the student's ID.

In addition, the student must sign, in the presence of the institutional official, the Statement of Educational Purpose provided below.

If a student is **unable to appear** in person at Cowley College, or one of the CC outreach sites, to verify his or her identity, the student must provide:

- A **copy** of the unexpired valid government-issued photo identification (ID) that is acknowledged in the notary statement below, or that is presented to a notary, such as, but not limited to, a driver's license, other state-issued ID, or passport; and
- The **original** Statement of Educational Purpose, which must be notarized. If the notary statement appears on a separate page than the Statement of Educational Purpose, there must be a clear indication that the Statement of Educational Purpose was the document notarized.
- If using a notary, you will need to **mail a copy of the ID and this form** to our office. Due to Department of Education regulations, faxed and emailed copies **will not** be accepted.

Statement of Educational Purpose The student must complete the statement below:
