

Cowley Puzzlefest Competition

Description

Entrants will receive math puzzles which they solve as quickly as possible. Entrants have the option to choose a teammate or to work individually. The pieces of the puzzle are connected by associating an algebra or geometry question with the corresponding correct solution. The end result is a puzzle shape such as a hexagon, triangle or diamond.

Materials

Students will be provided with all necessary materials.

Scoring

The 1st student/team to correctly complete the puzzle will be awarded the first-place prize. Second and third-place prizes will be awarded to the 2nd and 3rd students who correctly complete the puzzle.
